RE: Testimonial

Dear Bethany:

I would like to take this opportunity to thank OrthoSports Associates for the excellent treatment that your group has performed in treating our workers' compensation injured employees.

Specifically, your group has had to handel two of the most difficult cases that we currently have encountered that involve officers being shot, resulting in traumatic injuries.

The results of your group's medical expertise is fantastic for these individuals, and I wanted to take the time on behalf of the Municipal Workers' Compensation Fund to thank you.

I remain sincerely yours,

Tom R. Roper
President
