Pre-Op Instructions

You will need to call Pre-Admission Testing at 205-212-6608 to schedule your pre-admission testing. Both Pre-Admit and the surgery waiting area are located on the 4th floor of the OrthoSports Tower. This building is located directly adjacent from ours and the same parking deck connects to both buildings.

Nothing to eat or drink after midnight unless instructed otherwise.

Please notify us if you are taking any blood thinners; **Aspirin, Coumadin, Plavix, etc.** and/or if you are allergic to **LATEX, SURGICAL TAPE, and/or IODINE.**

I will call after lunch the day BEFORE your surgery to give you an arrival time for surgery.

Surgery is on the 4th floor of the OrthoSports Tower.

You will be required to have an adult drive you home after surgery.

If you have any FMLA/Disability papers that you need filled out please drop them off or fax them as soon as possible due to the fact it does take 5-7 business days to fill these out.

If you have any questions or concerns prior to surgery please contact me.
